ZPOST

The Z Post is the best steel post for wood fencing on the market. Z Posts are durable, easy to use, and versatile. Wind rated up to 73 MPH, the same Z Post can be used for line posts, end posts, gate posts, and gate stops. Top to bottom staggered hole pattern allows for easy installation of kick boards, top caps, lattice work, and more.

- ☑ **SUPERIOR STRENGTH** - Wind rated up to 73 mph
- ☑ **DURABILITY** - Will not rot like traditional wood posts
- ☑ **EASY TO INSTALL** - No other brackets or hardware necessary
- ☑ **VERSATILE** - The same post can be used for corners and lines
- ☑ **ATTRACTIVE** - Can be easily concealed to blend in with your wood fence
